Dear Sir:

In response to the Advisory Action of January 28, 2003,
please amend the above-identified application as follows:

IN THE CLAIMS:

Please amend the following claim.

14. (Four times amended) An apparatus for producing an
article of manufacture that conveys information regarding a
football game between two teams, comprising:
a printing device configured to render a plurality of
symbols along a path representing at least a portion of a drive
by one of the two teams, and
the plurality of symbols representing at least three
distinct and individual plays that occurred during the drive such
that each of the at least three distinct and individual plays can
be distinguished from one another.
